Scholarship Opportunity

2023

Applications are now being accepted

for the 2023 Chris Stuart Emerging Leaders Scholarship. This program is named in honor of Chris Stuart, a WWA Hall of Fame member who was known for his kindness and generosity in mentoring those who worked for him and who were up and coming in the industry.

The World Waterpark Association selects one recipient each year who will then travel to the Annual Symposium & Trade Show to experience the industry's most influential gathering of water leisure professionals. This scholarship covers all of the standard expenses, including flight, hotel, food per diems and registration.

APPLICATION PROCESS

To apply, you will need to fill out the accompanying form, write and submit a letter of reasoning that explains why you are applying and why you feel that you should be selected and submit a letter of recommendation from a current supervisor that supports your application. More details on both letters can be found on the application page. **The deadline to apply is August 31, 2023.**
